

More on Accessibility

March 6, 2024

Overview

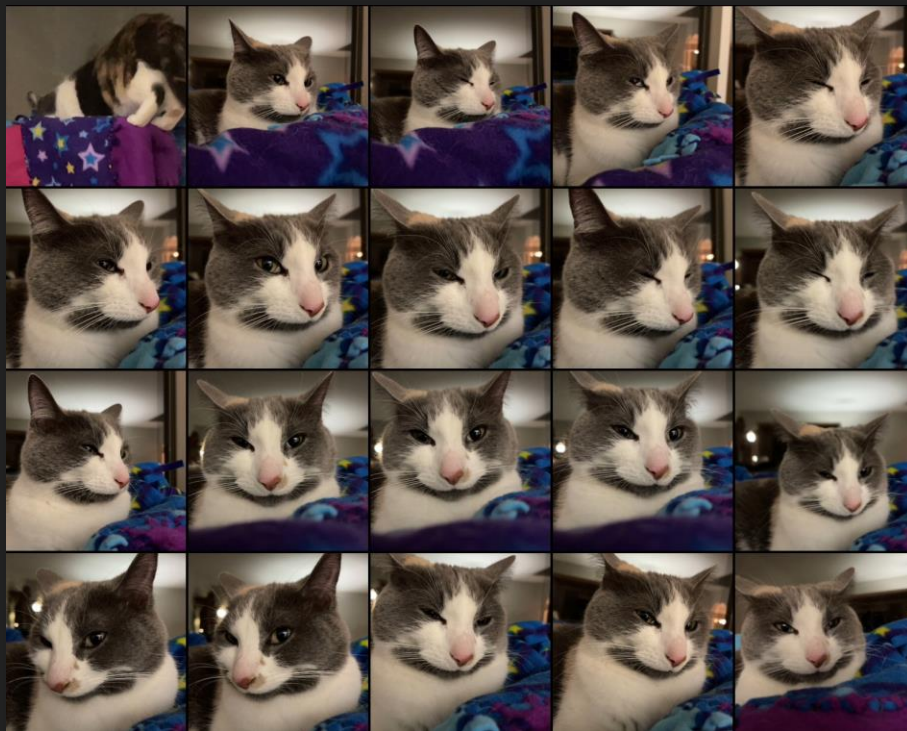

- Today
 - Accesibility Testing Documents
- Friday
 - Resources for Accessibility

Split into groups

- Perform checks of different accessibility features on a website or program that you use for school (Canvas, Joess, library website)

Discussion

Website first examinations

- Go through your chosen website
- Does the site mention how it makes itself or its products accessible?
- In your view, what would make the site better from an accessibility standpoint?
- Write a few sentences about this and submit to Canvas

Wrapping up

- Accessibility Testing Documents due today
- Resources for Accessibility due Friday
